Dear Carl:

With that being said, then there is no action as of yet - we are waiting City Council's approval of the linked recommendation report. Thank you for clarifying, I will wait until it is agonized for committee and/or council.

Greetings:

Appreciate the contact... Glad that Ms. Kim was able to attend the PLUM meeting last month.

A set of recommendations for a Sidewalk Repair Incentive Program was heard at the Public Works and Gang Reduction Council Committee meeting on June 27th... The committee continued action on the item into the future.

06/27/2016 Public Works and Gang Reduction Committee continued item to/for a date to be determined.

I believe this is the most up to date information publicly available at this time.

Best to you and the district.

Carl

Dear Carl:

I am circling back with you regarding the City's sidewalk sharing program for commercial rebates. Miss Alice Kim was kind enough to speak to our PLUM Committee back on June 2, 2016 regarding the incentive program the City was working on. We were told that the City would have it up and running by July 1st and further that the program would be on a first come first serve basis. I am hoping that you can provide me the link to direct my property owners to "sign up" for this program. Can you please provide the access page for the sidewalk rebate program and its information.

Thank you,
